ZMAG/net/work/out/takes

Vol. 5

1. Return of Quick hits to monthly meetings,
  2. ZMAG Swap-O-Matic
- ZMAG group activity, now in progress.

What: "ZMAG Swap-O-Matic" inspirational envelope exchange

Who: those who want to engage this ambiguous experiment

\*(apologies that this will have to be contained within USA postal addresses)

Fill your envelope with 1.) specimens you find intriguing in some capacity, 2.) art you started and not sure how to keep going with it, 3.) maybe some pieces of yours (or others) that you feel is "finished" but now open to be re-worked in a whole new way.

\*Please engage this project in the spirit that all mailart is ephemeral. It never needs to be perfect, or saved, or validated. Enjoy the process, and LET IT GO

Culmination of the project:

In 2026 one of our ZMAG meetings will reserve a segment for participants to: Share their experience with the project.
