The worst kind of evil is that which
masquerades as philanthropy.
-The Sticker Dude

"HUMANS" IS THE SPECIES THAT INVENTS SYMBOLS
IN WHICH TO INVEST PASSION AND AUTHORITY,
THEN FORGETS SYMBOLS ARE INVENTIONS.
-JOYCE CAROL OATES

When artists discover new realities, they do not do
so for themselves alone, they do it also for others,
for all those who want to know what sort of world
they live in, where they come from, and where they
are going. They do it for a community.
-Ernst Fischer
